Parent & Guardian Consent Instructions

1. Go to <https://my.austinisd.org/apps/Devices/consent.jsp> You will be prompted to log in to the parent cloud. You can create an account if you do not have one.
2. Look to see if your student(s) are in the “Students with Consent” section.

Student ID	Student Name	Response	Date	Parent
------------	--------------	----------	------	--------

If not, **select** your student(s) from the drop down menu

Parent Consent for Issuing Technology Equipment for Use at Home

Select Student: ▼

Yes, I want my child to have AISD technology equipment assigned to him/her for use at home.

I want my child to use his/her personally owned device.

No, I do not want my child to have AISD technology equipment assigned to him/her for use at home.

CONFIRM

3. **Select** the level of consent for your child and click **confirm**.
4. Make sure you see your child or children’s name(s) under the “Students with Consent” section.
5. The screen refreshes immediately after you confirm so a pop-up asking for student ID will appear. Just click ok.
